When families talk about camping... **Citation 88**

And, if you traveled in a Bethany Citation 88, you've good memories about the camping chores as well. How easy it is to set up your Bethany! Its spring-loaded raising mechanism is counter-balanced so even the youngsters can operate it.

Mom gets a vacation, too. Your Bethany Traveler has a kitchenful of convenience for fixing and serving meals. Bethany thought about her. All the storage space attests that Citation 88 was made for families.
